Pray for our fellow Baptist churches

Drumchapel Baptist Church

Dumbarton Baptist Church

We thank God that Dumbarton Baptist Church is enjoying some positive momentum. We would really welcome your prayers as we develop evangelistic Bible study groups in partnership with Big Life ministries, a Prospects group to welcome people with learning disabilities into the church family and a bus outreach to local young people with The Message Trust, Alpha Scotland and a local church partner.

Dumfries Baptist Church

We are thankful to God for the provision of our new church centre and praise Him for His amazing provision. Please pray that we will steward our new building in a way that honours God in its three uses. 1. Church – for our own church family, services, ministries and evangelism and other churches 2. Community – as we welcome and serve the community groups and users 3. Commercial – as we open and run Cornerstone Café, welcome and serve Business, Council, Educational and other groups for meetings and conferencing. Pray that all will be done for the glory of God and the building of His kingdom.

Data Protection

Just a reminder about the data protection letters Morag has emailed round. We would ask that you read them, complete them and bring them back on Sunday, there will also be printed copies for those that need them. Each person needs to complete individually rather than as a household.

CHURCH MEETING

Please note the church meeting has been rescheduled for Wed 30th May 7.15pm

Praise Gathering Concerts.

A few of us are part of the choir this year. I would really encourage you to try and come to the concert, especially as we are singing in Perth this year. It truly is an amazing evening of praise to God, and a great opportunity to invite friends and family. Here is a link that takes you to a wee preview....
