## Gerrard Baptist Church

Give thanks to God for the nearly completed "East Phase" of our building project. Please pray that it will be a place of salvation. Give thanks to God for the gentle touch of his Holy Spirit among us. Please pray for more and that we would experience God's powerfully supernatural working among us. Give thanks to God for the effectiveness of our local outreach especially our new congregation: "Cafe Church". Please pray for salvation and baptisms from the area around our church building and from the wider community of Aberdeen.

## Glenrothes Baptist Church

### Gourock Baptist Church

Please pray that our work in the community continues to extend; for major works on our building soon to commence (disabled access and facilities); that our slow but relatively steady growth continues; for those seriously ill in our congregation, that the Lord will grant healing, grace, and wisdom. Please give thanks for the financial generosity of the churches in our Union, other organisations, and individuals who have given so selflessly to our disabled access fund. We have been overwhelmed and undoubtedly humbled by the way our Lord has motivated His people to express their love and support in such a practical way. For the many blessings received in our work with Gourock's churches and schools both denominational and non-denominational.

### Fellowship

**As a church we would love to see us getting to know each other a bit better. One way to do this is to open up our homes for hospitality 😊 Could you offer lunch on a Sunday from time to time? Would you like to go and visit others? On Sunday we shall have a list where you can put your name down and we shall try and start this ministry of hospitality. 😊** Dear

Viewfield Baptist

As you will probably already know via the Fife Baptist distribution list, the Rev Rae MacKenzie has accepted the call to be pastor at Viewfield Baptist Church. Rae's Induction Service will be at Viewfield on Saturday 18 August 2018 starting at 3.00pm and will be followed by an induction tea. As our nearest Baptist neighbours, I would like to invite you and members of your fellowship personally to the Induction. If you are able to attend, I would be grateful if you could advise numbers in good time as this will greatly help with our catering preparations. I look forward to seeing you on the day.

Regards and Blessings
